**From:** City Manager Department  
**Prepared by:** Chris Freeland, City Manager  
**Subject:** **Councilmember Peabody Request to Place a Discussion Item on a Future City Council Agenda**

### **RECOMMENDED ACTIONS:**

Council **DISCUSSES** and provides **DIRECTION** on Councilmember Peabody's request to place a discussion item on a future City Council agenda.

### **BACKGROUND:**

Per Section 2.06.040 of the City Council Policy Manual, Councilmember Ty Peabody would like to discuss the proposed redesign of the Players Course at the Indian Wells Golf Resort.

At the April 2, 2024, City of Indian Wells Strategic Planning Session, the Council voted to redesign the Players Course and to seek bids for the construction of the redesigned course. The City received two bids for the redesign of the Players Course. Unfortunately, one of the vendors withdrew their bid. Currently, the project is out for rebidding, with the closing date at the end of September.

Councilmember Peabody would like to have a discussion on this project. Per the Council Policy Manual, if the City Council has an interest in doing so, staff will bring back the matter at a future City Council meeting.
